Simple Decision Tree in KNIME Example:

https://www.knime.org/introduction/examples

A more complex Use Case can be found at:

https://www.knime.org/knime-applications/churn-prediction

Great Example of the Decision Tree learning case study can be found in the Churn Prediction example

The corresponding KNIME workflow can be found on the KNIME Workflow Public Server under 050_Applications/050018_ChurnPrediction.

Additional interesting Use Case can be found at:
